- * The average litter size is 4-6 kittens
- * Cats can get pregnant one week after giving birth
- * Cats are fertile their entire lives

THE MEOW MISSION
PROACTIVE POPULATION CONTROL
THE HUMANE WAY

We're fixing stray cats for Free during the month of May!

Contact us at info@themeowmission.org or 574-300-3353 to sign up.

We're having an informational meeting at the Countryside Village Clubhouse

Tuesday, April 26th from 5:30-7:00pm.

Please stop by if you have any questions or want to know more about the program.

During the Month of May 2016, The Meow Mission and CARE of South Bend will offer FREE spay/neuters for all free-roaming (stray) cats at Countryside Village. We can help trap, transport, and provide surgical aftercare for all cats. Included: Spay or neuter, rabies vaccination, parasite treatment and eartip. Contact the Meow Mission at info@themeowmission.org or 574-300-3353 (leave a message or texting works, too).

Pet Cats that live inside can be fixed for \$10 for the first 20 respondents by the Frantz Fund and SJC-SNAP.
